[Time: 1.5-2 hours not including meals; Group size: 10-16 adults]

In community, we grow in our love for God and one another around the Word.

- Discuss and apply the Sermon
- Group Prayer

Fellowship (15-30 min. with a minimum of 10 min.)

In community, we grow in our care and love for one another.

- Ideally break into groups of men and women
- Grow to know and care for another
- Pray for each other

Mission (15-30 min. with a minimum of 10 min.)

In community, we grow to be disciple-makers as we work together to reach out to unbelievers.

- Couple this time with the Fellowship time or with the Worship time
- Encourage and pray for one another to share the gospel with others
- Discuss and strategize how to reach the unchurched

(Please note that this is only a general structure for how a typical meeting might go. Some meetings might spend far more time on Fellowship or Mission depending on the desires and needs of your group. Do what you think will work best for your group.)
